

Empathetics.ai Proposal Appendices

Getting Started with Empathetics.ai

Follow these steps to create your account and try a live simulation.

1. Go to demo.empathetics.ai/public/register

Alternatively, click on any shared links from the example cases.

Open the link on your phone or computer or scan the QR code above.

2. Enter your details.

In the live demo, you will need to set a password.

Depending on system preferences, a one-time sign-in link is also possible.

3. Enter your registration code

Enter the registration code below to join the shared demo course.

You must insert a valid registration code.

Registration Code:

uq_sbms2026

4. Start a simulation

Once registered, you should be redirected to the menu or a simulation.
